

The background of the slide is a complex, repeating geometric pattern in shades of blue, green, and white, reminiscent of traditional Islamic tilework. Overlaid on the left side is a stylized representation of the Iranian flag, consisting of three horizontal stripes of green, white, and red, with the national emblem (a stylized red 'S' with a sword) centered in the white stripe.

- Regarding “Marriage” topic, what is your opinion about similarities or differences between Iran and Japan?
- How “Marriage” costumes has been changed through the past century in Japan?

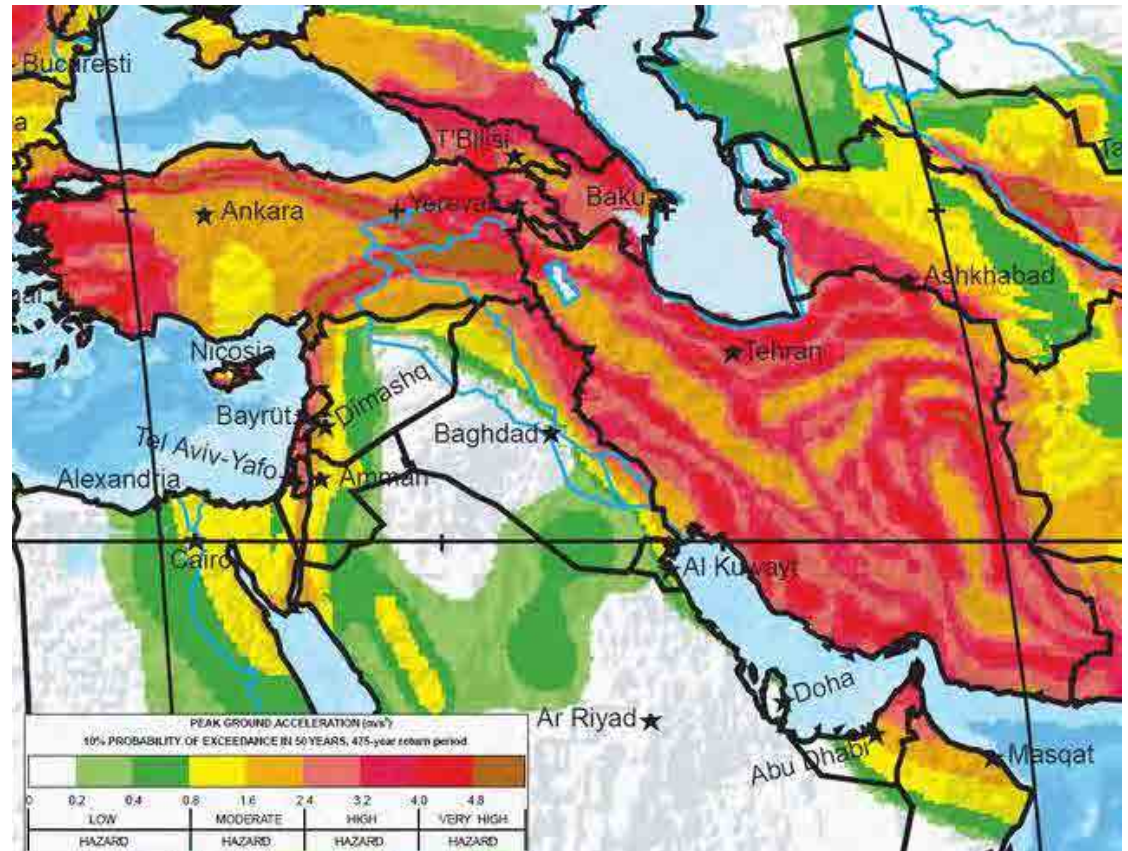

A topographic map of Turkey and its surrounding regions, including parts of the Middle East and the Balkans. The map uses brown and tan colors to represent elevation, with darker shades indicating higher altitudes. Major water bodies like the Black Sea, the Aegean Sea, and the Mediterranean Sea are shown in light blue. National borders are marked with thin black lines. The word "Environment" is written in a large, bold, black sans-serif font, centered over the Anatolian peninsula.
